Respected Sir,

This is with reference to our discussion regarding Expression of Interest for RPTO by our company at your premises.

No.F.04(109)E-Bid/DOR/SKNAU/2026/1448

We have gone through the complete documents and are in agreement for sending a proposal of the same.

As discussed, we have some points to be considered during finalisation of RPTO.

1.The Required Resources-

Sir, wherever we are doing tie up with any institution or Govt Bodies, the resources to be provided by them only.

As Drones will be property of SKNAU and it is having UIN no that will be issued by DGCA and later it will be transferred on the name of SKNAU.

2.As RPTO will be in the name of SKNAU so simulators will also be the property of SKNAU.

3.We can depute one instructor in the initial phase .if no of participants increase then we can add more instructors as per the requirement.

4.Request to ensure engagement of Instructor minimum 25 days or 3 batches in a month for viability and healthy business equation.

Request to consider the same.

Assuring you best services always!!

Regards
