Seven-Day Training
Dates: (23 to 29 September 2026)

**“Micropropagation Techniques in Fruit and Medicinal Crops:
From Laboratory to Field”**

VENUE: Department of Genetics and Plant Breeding, SKN, College of Agriculture, Jobner

INVITATION

It gives us great pleasure to announce that, inspired by the Respected Vice-Chancellor, Prof. (Dr.) Pushpendra Singh Chauhan, Sri Karan Narendra Agriculture University, Jobner, a 7-day entrepreneurship skill development training program on the topic "Micropropagation Techniques in Fruit and Medicinal Crops: From Laboratory to Field" is being organized by the Department of Genetics and Plant Breeding, SKN, College of Agriculture, Jobner. During this training, various eminent scientists will provide practical and experimental insights into different aspects of micropropagation technologies. Participants will be required to make their own arrangements of food and accommodation however a high tea in the morning as well as tea after lunch will be provided. A maximum of **30 seats** are available for this training, and the registration fee is set at **Rs. 2500**. The minimum educational qualification for the training is **10+2**. Candidates can secure their seats by depositing the registration fee into the bank account listed below and submitting a copy of the deposit receipt. Seat allocation will be based on a first-come, first-served basis.
