Physical/online Demonstration Report

With reference to Letter No. F. (41)/Store/COA/FTR/2026/2870 dated 24.02.2026, all participating firms were requested to provide a physical/online demonstration of the equipment quoted under the tender No. F. (41)/Store/COA/FTR/2026/2749 dated 02.02.2026 for the E-procurement of Supply and Installation of various Laboratory Equipment at the College of Agriculture, Fatehpur-Shekhawati, Sikar-332301, Rajasthan. During the demonstration process, it was observed that the lowest rates (L-1) for the items (Microscope (Compound) with Photo Display Arrangement, BOD Incubator and Stereomicroscope) were quoted by M/s KMV Agrotech & Engineering Works, Roorkee (Firm No. 02). However, the firm failed to provide the required demonstration of the above items, as communicated through their email dated 27.02.2026. For the remaining equipment, the firms quoting the lowest rates successfully completed the required physical/online demonstrations and met the technical requirements. Therefore, the committee recommends that the above-mentioned items (Microscope compound with Photo display arrangement, BOD incubator and Stereomicroscope) **should be re-tendered** due to non-compliance and failure of the lowest bidder to provide a physical/online demonstration. For the remaining items, the committee recommends procurement from the lowest rate quoted firms (L1) (**Firm No. 03, M/s K.D. Labinfra Solutions**) among the technically qualified bidders.
