Scope of Work

1. Attend break down calls and repair of unit.
2. Preventive service maintenance every three months, during which the bidder shall replace all filters and membrane of the machine.
3. All spares of RO machines like Booster Pump, SMPC, Solenoid Valve, Flood Valve, UV Lamp, UP Choke, Membrane, Filter, Spun, Sediment, Sensor, UV lamps, Drips, Body and Carbon filters, internal electrical interconnections, and internal water interconnections. Auto cut off functions with all RO machines connected to water coolers and/or water tanks.
4. Bidder to quote the prices of the body of the RO machines of various capacity. The prices shall be valid for the period of one year. The bidder may be asked to replace any of such part, if the institute found it necessary to replace the same for proper functioning of machine.

Special Terms & Conditions

1. Lowest price quoted will not qualify for selection of tender but quality and desired standards will also be considered.
 2. Attach all documentary proof of credentials which are pledged by the bidder in this tender.
- I. This being a comprehensive annual maintenance contract, for the period of one year from issue of work order, the bidder is requested to inspect all the "RO water purifying Machines" and become well acquainted very carefully about the nature of work required to be carried out and then quote rates accordingly to make the "RO Water purifying Machines" in perfect working order & to maintain the same in working order till 21.10.2027. At the end of the contract period, the bidder shall hand over the "RO Machines", in perfectly working order to the office. In case, any of the "RO Machine or part of it" is found not in perfectly working condition at the time of handing over, the cost incurred by the institute in getting the "RO Machine or part of it" repaired from other agency, shall be deducted from the amount payable to the tender.
- II. The Bidder shall use only new and original genuine spares including all other consumable parts etc. and be shown to the authorized person before its use, which are needed for the repair of the unit. Nothing shall be supplied by the institute. Old replaced parts/material will be the property of the bidder and the rates are to be quoted by the bidder accordingly. Record for the purchase and utilizing the

materials along with the purchase bills shall be maintained by the agency and the same shall be shown to the authorized person as and when demanded by him.

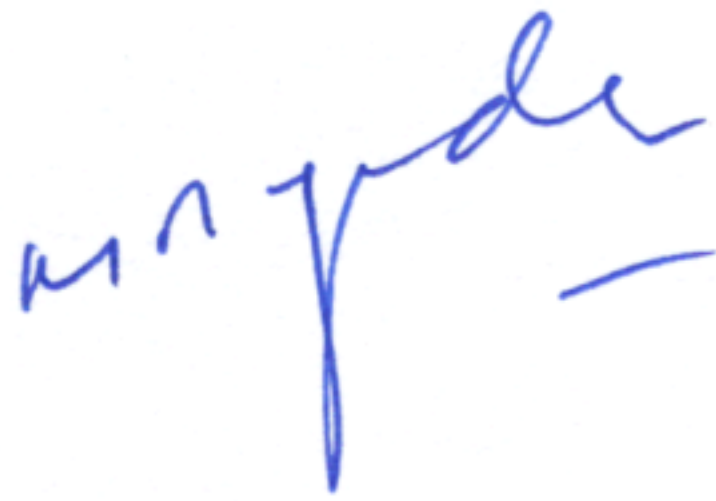

- III. If, the work is not found satisfactorily, the work can be got done from another agency at the risk & cost of the bidder. A service log book has to be maintained by the bidder, in which all the repair and maintenance work shall be indicated and duly signed by the authorized person.
- IV. Institute will provide nothing to the bidder, except free electricity & water at fixed points, for the completion of the assigned repair works. The rates are to be given accordingly.
- V. The repair works as far as possible be done at the Institute during Institute working hours.
- VI. The Institute will pay no separate charges for cartage for taking the machines or parts to the bidder repair site, if so required for any repair. The rate is to be quoted inclusive of all such charges, if applicable, for any type of such repair.
- VII. While taking the unit for repairs to Bidder workshop if required so, the Bidder shall inform the office in writing, regarding Serial No. of various accessories of the unit and take written permission and the unit shall be brought back within reasonable time. During this period, the bidder shall have to make stand by arrangements for other "RO Machine or part of it" at his own level and nothing extra shall be payable for it. During transit of the machine or part from the site to the workshop or vice versa, the safety of the material is the responsibility of the bidder, and he should ensure that the machine or part is not damaged or stolen in transit.
- VIII. After getting back the unit duly repaired, the Sr. No. will be verified by Institute. The compressor can be replaced if required, by the bidder by original one of the same manufacturer with intimation to office in writing.
- IX. The Contractor shall adopt all safety measures, which are essential for the execution of the work. The Institute shall not be responsible for any mishappening if occurred while doing the work; this may please be noted very carefully. The contractor is advised to have the insurance of his staff/workers against any mishappening while attending the work at his own level.
- X. Bidder is required to deploy a well-trained technician with sufficient numbers of spares required to maintain the RO machines. Technician shall undertake preventive service of all the machines, every three months.
- XI. The Mobile numbers of the service engineer shall be informed to the office to have immediate contact with him.
- XII. Service provider and his staff have to co-ordinate with the office staff of the Institute for proper functioning of all jobs and require attending the complaint within 24-48 hours of complaint if the same is being registered during working hours or on next working day if the complaint is registered during non-working hour or holiday.
- XIII. Any complaint shall be entertained within 24-48 hours period from the time of reporting the complaint, otherwise the Institute may impose monetary penalty of Rs. 500/- for each failure, in addition to the cost of repairing charges, if the repairing is got done from another agency.
- XIV. Payment shall be made on three monthly basis after receiving the bill from the bidder on satisfactory report from authorized person, subject to TDS and any other taxes as applicable.

- XV. Prices shall be quoted inclusive of applicable taxes and levies.
- XVI. The number of RO machines may be added or less than the numbers shown below, as decides by the undersigned due to any reason.
- XVII. Either party can terminate the contract by giving one month's advance notice in writing.

I / We have inspected the RO water purifying machines, read the above terms & conditions carefully and hereby agree to do the repair work on the above conditions of the Institute as per rates mentioned by me / us on the enclosed Performa.
